This walk was started by Barc and Sally to continue an activity on Tuesdays when it was no longer feasible to ride. As a result there will be fewer members walking on Tuesdays from approximately May to October while the riders resume their schedule.

When the weather seems to be cooperating we will have picnics at the end of the walks. I will email you all when this begins. Remember that we do not picnic at High Park. The Grenadier breakfast deal is just too good to miss.

When the weather does not cooperate we walk at Cloverdale Mall. Meet in front of Winners just before 10 am. Lunch location to be determined by the group.
